Indianapolis Airport Authority

## INTERVIEW & PHOTO OPPORTUNITY:

# Airport executives, study officials discuss IAA's 30-year airport land use & development plan

### WHAT

Indianapolis Airport Authority (IAA) executives and representatives from aviation planning consultants Landrum & Brown (L&B) will be available to take questions and offer sound bites regarding the airport's 30-year development plan. The group will include:

- **John D. Clark**, executive director and CEO, IAA
- **Berta Fernandez**, executive vice president, Landrum & Brown
- **Mark Hedegard**, sr. director of business development, IAA
- **Eric Anderson**, director of properties, IAA

Interviews with airport authority board members and other senior members of the IAA team may also be available.

### WHEN | WHERE

Approximately 10 a.m., Friday, February 18, 2011  
Room 11T.413, fourth-floor boardroom

### HOW

Please e-mail [ssullivan@indianapolisairport.com](mailto:ssullivan@indianapolisairport.com) if you plan to attend or send photographers.
